

# Attention: All 9<sup>th</sup> grade students

**Lagoon Day – Wednesday May 27, 2015**

**Yearbook Day – Thursday May 28, 2015**

Students who wish to attend these activities must earn the privilege to participate. Students who are on track to graduate and who demonstrate good citizenship will be allowed to participate. Students who are deficient in credit will have the opportunity to recover any missing credit here at Vista Heights in a credit recovery class on the designated activity day.

Research shows that seniors who are deficient in graduation credit are primarily recovering 9<sup>th</sup> grade credit. We are committed to sending our students on to 10<sup>th</sup> grade with all of their credit and want to give them every opportunity possible. Therefore, an all-day credit recovery class will be available Wednesday, May 27 and Thursday, May 28 for students who need to take care of past failed credit.

Students who wish to attend Lagoon Day have until **Thursday May 14<sup>th</sup>** to recover missing credit. All students must be cleared by admin and their counselor before a ticket can be purchased. Please arrange times with your teacher before and after school to make up any missing assignments or tests. Students who are ineligible to attend Lagoon will be assigned to the all-day credit recovery class for that day.

Students who wish to participate in Yearbook Day have until **Wednesday May 27<sup>th</sup>** to recover missing credit. Those students who remain deficient will be assigned to the all-day credit recovery class.
