9<sup>th</sup> Grade CCR's are coming!

October 12, 2017

Dear Parents,

You are invited to attend your student's College and Career Readiness (CCR) meeting. The Counselors at Vista Heights Middle School will be conducting CCR's with 9<sup>th</sup> grade students from November 2- 10<sup>th</sup> 2017 during your students World Civilization/Geography class. This meeting between parent, student, and counselor is a great opportunity to review your student's progress and plan for success in middle school and beyond. Statistics have shown that parental involvement is very important, and we ask that you attend this meeting.

**We will meet in the teacher's classroom this year. All the classrooms are in the satellite trailers** that are west of the school. The first 15 - 20 minutes will be a group presentation. During which we will review the high school requirements and other valuable information. After the group part of the CCR, we will then break up for each student's individual CCR where you will meet with a counselor or other professional during which we will go graduation requirements and a 4 year plan for High School.

**Refer to small print above for teacher, period, date, time and classroom.**

**\*FAST TRACK:** If you want to expedite this experience, you and your student may watch the group presentation before your appointment. The parents that have already watched the presentation will be called first to visit with the counselors. We update this presentation every year. You may watch the presentation by going to <http://vistaheights.alpineschools.org> beginning October 18. Look under the Counseling Department heading (CCRs and graduation). Thank you for your commitment to your students.
