

SCC Minutes 1/4/18

In attendance: Todd Dawson, Angela Webb, Nikki Fike, Liz Gibby, Brooke Foess, Karin Brown, Audrey Barton, Kyle Zundel, Jennifer Klingonsmith.

Holly read the minutes from the last meeting. Liz Gibby motioned to approved the minutes. Karin Brown seconded.

Learning Walk will be January 10th. The members who signed up for the 12:30-2:30 session are Audrey Barton and Jennifer Klingonsmith. January 17th the session from 12:30-2:30 had the following people- Angela Webb, Brook Foess and Karin Brown.

Todd and Liz have been going to boundary meetings. The boundaries shifted from 400 S to Pony Express Parkway and Pioneer Crossing. We have had 21 kids register in the last 2 days. Our current numbers are: 9th graders-649, 8th graders-731, and 7th graders-729. The current 6th grader/incoming 7th grade number is at 840.

There is a possibility of trailers coming in for next year, but the district is also looking at using teacher preps and using those as classrooms. If they brought portables, it would be three of them, so 6 classrooms. They are trying to figure out if it is cost effective to bring in the portables for 1 year.

The new school groundbreaking should start in February. There will be no ceremony, as they only do that for High School's.

Audrey mentioned why Silverlake will be coming to Vista and not Frontier. It is 200 kids, and after the split we will be the smallest middle school, and that is if we include Silverlake. Liz mentioned that after attending the boundary meeting, it was clear that the Silver Lake students should come to Vista to even out the numbers for the next 5 years.

Todd mentioned that our resource officer is phenomenal. If anyone ever asks about him rest assured he is great!

We discussed the digital citizenship panel. Office Zaugg is willing to help with the panel during Parent Teacher Conferences.

Jennifer Klingonsmith said Blaine Edwards is her brother in law and she'll ask him if he'll be on a pane during Parent Teacher Conferences February 13th. He is the district head of technology. We will heavily advertise for this. Caller, emails, Facebook, website, etc. We will have a sign upon entrance. We need to advertise 2 different times 4:15-4:45 and 5:30-6:00pm. Liz Gibby will be a mediator for both sessions.

Karin wanted to recognize Mr. Beckstead for staying late on the last day before winter break. He stayed for hours to help students finish their projects.

We got 5 new lunch tables. We now have seating for 722 students.

Next meeting is February 8th 3:15 in the Media Center.

Karin moved to adjourn the meeting and Liz seconded it.
